

SCOTCH COLLEGE
PERTH WESTERN AUSTRALIA

Personal Project Application Form

NAME: _____ HOUSE: _____

SUPERVISOR: _____ GROUP NO.: _____

What is the goal of your project? What do you want to do/achieve?

What do you intend to learn as a result of doing this project?

Why have you chosen to explore this particular topic?

What strengths do you possess that will help you with this project?

What challenges do you think you will need to overcome to achieve your goal?

What will your product be?

How will you measure the success of the project/your product?

Which Global Context does your project fall under and how have you come to this conclusion?

Who will you talk to in relation to this project (e.g. for help with time management or an expert in a particular field, a mentor)?

Have you approached this person/these people already to ask them to help you? If no, when do you plan to do so (remember time-management is important)?

What types of resources do you intend to use (e.g. books)?

If manufacturing or making something, have I got access to the appropriate facilities to assist in the creation of my product? If yes, what are these?

I agree to:

1. Commit to the completion of the project by the due date
2. Attend all meetings with my supervisor and take responsibility for rescheduling meetings if necessary
3. Abide by the academic honesty policy by acknowledging all sources of information and support (there are penalties for plagiarism/falsification)
